Groups

Our group are very popular and fill up quickly.

If your child is not a current Chatterbox client they will need to attend a 'group screening appointment' prior to commencing in a group program. This is to ensure the group is the right fit for your child and to also make sure we understand what your goals are.

It is generally not recommended that a child commences group halfway through the term, therefore if you are interested please ASAP to organise being placed on our waiting list for the next term's group.
